CAMPI MAP
UNIVERSIDADE DE AVEIRO

All trains on the Northern line have a mandatory stop in Aveiro, and there are also several bus routes that connect it to many cities in the country. To get to the *campi* of Santiago and Crasto, where all UAveiro departments, ESSUA and ISCA-UA are located, you can use the Aveiro Bus line.

If you prefer, you can choose to come on foot or by bike. Aveiro is one of the best cities for cycling, because it is very flat, and being a small city, everything is just a few steps away.

23.2.8? what is this code?

At UAveiro, spaces are identified by the numerical sequence "building . floor . room". If you find the designation "23.2.8", for example, you will have to go to building 23 (Pedagogical, Scientific and Technological Complex), go up to the 2nd floor and look for room 8.
